

## Temple Administration

The day-to-day activities of the temple are managed by a Board of Directors who meet once a month formally (minutes of the meeting are recorded and kept on file for auditing), and weekly informally. In addition, there are regional advisors to the board to cover geographical areas in the vicinity, as well as religious matters. Following is a list of Board of Directors and advisors.

2021-12-19

Shiv Jindal

*President*

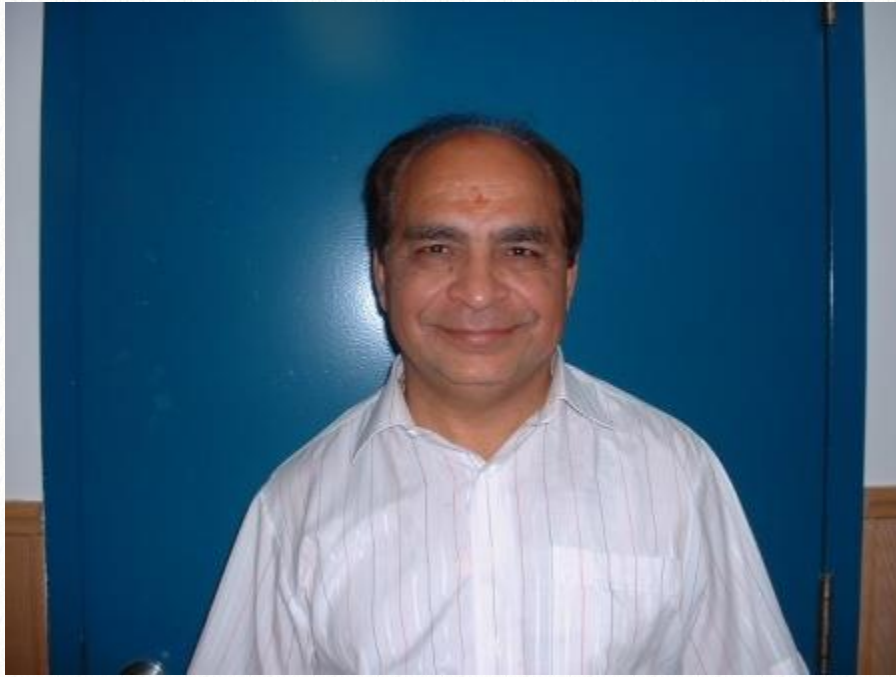

613-692-2538

Kanwal Talwar

Vice-President
